In re Application of	:	
Ronald A. Linyard, et. al.	:	
Application No. 09/876,788	:	ON PETITION
Filed: June 6, 2001	:	
Attorney Docket No. 6067-16203	:	

This is a decision on the petition under 37 CFR 1.137(b), filed on January 7, 2008, to revive the above-identified application.

The application became abandoned for failure to file a proper reply to the final Office action mailed February 22, 2007.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE) under 37 CFR 1.114, with the \$790 filing fee and an amendment; (2) the petition fee of \$1,540; and (3) a proper statement of unintentional delay. Therefore, the petition is **GRANTED**.

This application is being revived for consideration of the RCE.

A review of the record shows that the Office improperly accepted the Power of Attorney filed on April 10, 2008. In this regard, the document fails to contain a proper Statement under 37 CFR 3.73(b), which contains a breakdown of the chain of title from the original owners to the current assignee. Therefore, petitioner must submit a complete Statement under 37 CFR 3.73(b), which shows how Macromedia, Inc. acquired this application from Ehelp Corporation¹. A blank Statement under 37 CFR 3.73(b) is enclosed with this decision.

¹ As required by 37 CFR 3.73(b)(1)(i), the documentary evidence of the chain of title from the original owner to the assignee was, or concurrently is being, submitted for recordation pursuant to 37 CFR 3.11.

Office records have been corrected to reflect the previous correspondence address of record for Customer Number 64107 (Kokka and Hsu, PC). If petitioner desires to receive future correspondence regarding this application, an appropriate Statement under 37 CFR 3.73(b) must be submitted. A courtesy copy of this decision is being mailed to petitioner. Nevertheless, all future correspondence regarding this application file will be directed solely to the address of record until otherwise instructed.

The application file is being referred to Technology Center Art Unit 2452, for processing of the RCE and for appropriate action by the Examiner in the normal course of business on the concurrently filed amendment.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3226.

A handwritten signature in black ink, appearing to read 'Andrea Smith', is written over the printed name.

Privacy Act Statement

The **Privacy Act of 1974 (P.L. 93-579)** requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S.C. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

1. The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether disclosure of these records is required by the Freedom of Information Act.
2. A record from this system of records may be disclosed, as a routine use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to opposing counsel in the course of settlement negotiations.
3. A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an individual, to whom the record pertains, when the individual has requested assistance from the Member with respect to the subject matter of the record.
4. A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).
5. A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
6. A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 218(c)).
7. A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (*i.e.*, GSA or Commerce) directive. Such disclosure shall not be used to make determinations about individuals.
8. A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 CFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspection or an issued patent.
9. A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential violation of law or regulation.
